Terminology

PACER Service Center: The PACER Service Center (PSC) is the Federal Judiciary's centralized registration, billing and technical support center for both CM/ECF and PACER.

CM/ECF: Case Management/Electronic Case Files (CM/ECF) is an automated case management system that allows registered users to file documents over the Internet. A CM/ECF account is required to file documents, receive notice of docket activity and submit a bar application. CM/ECF accounts are court specific. Your account will only be active in the courts where you are registered.

PACER: Public Access to Court Electronic Records (PACER) is a public access system that allows registered users to obtain case and docket information over the internet. A PACER account is required to view documents. PACER accounts are not court specific. Your account will be active in all United States appellate, district and bankruptcy courts nationwide.

NextGen: NextGen is the latest version of the CM/ECF system. In the legacy system, an e-filer who practiced in the appellate, district and bankruptcy courts was required to maintain multiple accounts: a PACER account to view documents, an appellate CM/ECF account to e-file in the appellate courts, and a separate CM/ECF account for each district and bankruptcy court. In the NextGen system, the same user only needs to maintain one account. A NextGen account gives registered users PACER level access in all United States appellate, district and bankruptcy courts, and CM/ECF level access in all NextGen courts where they have an account, regardless of court type.

Legacy: The term "legacy" refers to earlier versions of an application. The CM/ECF system that preceded NextGen is referred to as the legacy CM/ECF system. When the PACER Service Center upgraded the PACER system to accommodate NextGen, it too resulted in a legacy system. PACER accounts that were established prior to this upgrade are referred to as legacy PACER accounts.

NDA: A Notice of Docket Activity (NDA) is an email notice that is generated automatically by the CM/ECF system when a document is entered on the docket by a public filer or the court. The notice includes a link to the document, and specifies which recipients were served electronically and which were not. An NDA is also generated when the court modifies a docket entry.

1 GETTING STARTED

Registration

Who Must Register

Use of the CM/ECF system is mandatory for attorneys, unless they are granted an exemption, and voluntary for pro se litigants. To qualify for filing privileges, attorneys must be a member of the bar of this court; non-attorneys must be a party to an appeal in this court and cannot be incarcerated. Individuals who do not qualify for filing privileges will have their accounts activated with limited functionality. They will receive NDAs in cases they are linked to, or elect to follow, and attorneys will be able to submit a bar application.

Register for a NextGen CM/ECF Account

Only users who have never had a CM/ECF account in this court should register for a new account. If you are a new user, go to www.pacer.gov, select the **Register** tab and click the **Start** button. The *Registration Wizard* is designed to help you select the correct option for your situation. Your registration must be approved by the court before you can login. Most registrations are processed on the day of receipt or the following business day. However, all registrations should be submitted at least three business days before access is required to allow sufficient time for processing. You will receive email notification from the court once your registration has been approved.

Update Your Legacy CM/ECF Account

Users who obtained a CM/ECF account in this court prior to August 21, 2017, are required to update their legacy account. Please do not register for a new account if your name appears on the [attached list](#). Duplicate registrations will not be approved.

1. First, you will need an upgraded PACER account:
 - a. If the PACER account you use to view documents is shared with other e-filers in your office, go to www.pacer.gov and register for a new PACER account. Your new account will be an upgraded PACER account.
 - b. If the PACER account you use to view documents is not shared with other e-filers in your office, login to [Manage My Account](#) in PACER. If you have forgotten your username and/or password, there are links available on the login screen for retrieving your credentials. If you are a CJA attorney, login to your non-exempt PACER account. Once you have successfully logged in, the

1 GETTING STARTED

Registration

type of account you have will be indicated in the *Account Type* field. If you already have an upgraded PACER account, go to step 2. If you have a legacy PACER account, click the **Upgrade** link to begin the process of upgrading your account.

2. Make sure you are completely logged out of PACER and close your browser. Open a new browser, go to the [CM/ECF login page](#) for this court and login using your upgraded PACER account credentials.
3. Click **Link My Filer Account to My PACER Account**, enter your legacy CM/ECF credentials and click **Submit**. If you have forgotten your credentials, you can [reset your legacy appellate filer password](#) in PACER.
4. If the linking process was successful, you will see the new NextGen landing page. From this point forward, use your upgraded PACER account credentials to login to file and/or view case information. If the linking process failed, make sure your username is all lowercase and try again, or contact the PACER Service Center at (800) 676-6856.
5. If you are on the CJA panel, contact the PACER Service Center at pacer@psc.uscourts.gov and request to have your CJA privileges added to your upgraded PACER account. Your email should include the following:
 - Your name and the district or circuit in which you have been appointed to the CJA panel.
 - The username and account number for your upgraded PACER account. You can find the account number by logging in to [Manage My Account](#) in PACER.
 - The username and account number for your PACER-exempt account. You can find the account number by logging in to [Manage My Account](#) in PACER.

Once CJA privileges have been added to your upgraded PACER account, the PSC will cancel your PACER-exempt account and provide you with instructions for switching between exempt and non-exempt status using your upgraded PACER account.

Consolidate Billing for Multiple PACER Accounts

Organizations that wish to consolidate billing and receive one invoice for charges associated with multiple PACER accounts can [register](#) for a PACER Administrative Account (PAA). For more information, please refer to the [PAA Policies and Procedures](#), [PAA electronic learning module](#) and [PAA tab of FAQs](#), or contact the PACER Service Center at (800) 676-6856.

2 FILING

Overview of Filing a Document

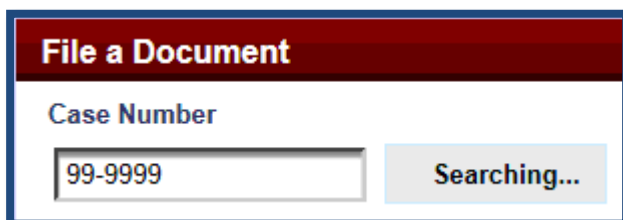

1. Before you begin, make sure the pop-up blocker setting on your browser is either turned off or set to allow pop-ups from *.ca1.uscourts.gov.
2. All documents submitted for filing must be in PDF format and contain a statement indicating the date and manner of service, as well as the names and addresses of the persons served. This information can be found by selecting **Service List** from the **Reports** menu. Your electronic filing will constitute service on all recipients whose service preference is email.

Contact Info	Case Number/s	Service Preference	ECF Filing Status
Mary Jones 1 Main St Boston, MA 12345	99-9999	Email	Active
John Smith US Attorney's Office 1 Courthouse Way Boston, MA 02210	99-9999	US Mail	

3. Select **Filing** from the main menu. If you do not have this option, it is because you do not qualify for filing privileges. To qualify for filing privileges, attorneys must be a member of the bar of this court and non-attorneys must be a party to an appeal.

4. Enter the case number in the **Case Number** field and move your cursor out of the field, either by pressing the *Tab* key or clicking elsewhere on the screen. The application will not begin searching for your case until your cursor exits the **Case Number** field.

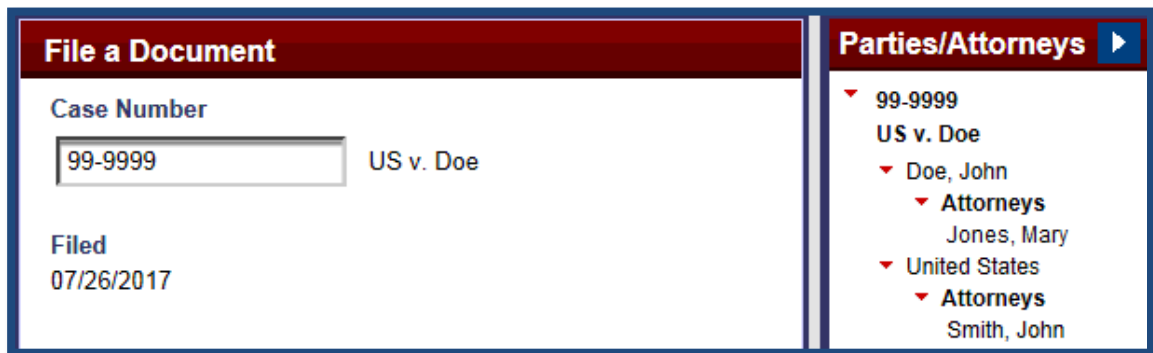

The image shows a form titled "File a Document". It has a "Case Number" label above a text input field containing "99-9999". To the right of the input field is a button labeled "Searching...".

2 FILING

Overview of Filing a Document

5. When your case is found, the short title will display next to the case number, and the parties and attorneys will be listed in a panel on the right side of the screen. The *Parties/Attorneys* panel displays in expanded mode on the first screen and collapsed mode on subsequent screens. You can collapse the panel by clicking on  or expand it by clicking on .

The screenshot shows two panels. The left panel, titled "File a Document", contains a "Case Number" field with the value "99-9999" and the text "US v. Doe" next to it. Below this, it says "Filed 07/26/2017". The right panel, titled "Parties/Attorneys", is expanded and shows a tree view of the case information: "99-9999", "US v. Doe", "Doe, John" (with a sub-entry for "Attorneys" listing "Jones, Mary"), and "United States" (with a sub-entry for "Attorneys" listing "Smith, John").

6. The document table in the main panel lists document types in the left column and document categories in the right column. Each column has an optional search field that can be used to filter the results. If you enter text in the **Type of Document** field, you will only see the document types that match your text. If you enter *m*, you will only see the results that include the letter "m." If you enter *motion*, you will only see the results that include the word "motion." Each document type has been assigned to one or more categories. If you make a selection from the **Category** menu, you will only see the document types assigned to that category.

10. Click **Continue**. The configuration of the screens that follow will vary, depending on the type of document you are filing. Follow the instructions on the screen. Please pay particular attention to the warning messages. They are designed to help you avoid some of the more common errors associated with the type of document you are filing.
11. The docketing interface has an accordion style design. Each page is comprised of a series of panels that can be expanded or collapsed by clicking on the blue header. When you move from one screen to the next, the panels you completed on the previous screen will display in collapsed mode on the new page. You can edit information entered on a previous screen by expanding the relevant panel, or click **Cancel** at the bottom of the page to start over. Do not use your browsers back button to return to the previous screen.

Bar Admission

You must register for a CM/ECF account prior to submitting a bar application. Your account will be activated with limited functionality. You will be able to submit a bar application but your case-related filing privileges will not be activated until after you have been admitted. Bar applications must be submitted using the CM/ECF account of the individual seeking admission.

1. Register for a CM/ECF account.
2. Request a certificate of good standing from a state court bar.
 - Only one certificate of good standing is required.
 - It cannot be from a federal court.
 - It must be dated within the past six months.
 - It must be in English.
 - Submitting a screen shot of your state bar's website showing you are in good standing does not meet this requirement.
3. Complete the [Application and Oath for Admission to Practice](#).
 - The applicant's signature can be electronic but the sponsor's signature must be handwritten.
 - The sponsor's [First Circuit bar number and date of admission](#) can be found on the court's website under the **Attorneys & Litigants** tab.
 - NextGen requires fillable forms to be scanned or printed to PDF. If you try to upload a bar application that was saved without scanning or printing to PDF, the error message will state *[t]his document does not meet CM/ECF standards*.
4. Login to the court's CM/ECF system.
5. Select **Bar Admission** from the **Utilities** menu.

Pay Fee and Submit Application

6. The **State Bar Number** and **State of Residence** fields are optional.
7. If you are not required to pay the admission fee, select the applicable **Reason for Fee Waiver**.
8. Upload your bar application, certificate of good standing and any supporting documentation. It is not necessary to include the instructions (*Notice to Applicant for Admission*) that accompany the bar application, or the cover letter you may have received with your certificate of good standing. Combining all documents into a single PDF is preferable but not mandatory. If you upload multiple documents, please provide a brief description of each in the **Description** field.
9. Click **Pay Now and Submit**, if you are paying the fee, or **Submit Application**, if the fee is waived.

4 UTILITIES

Bar Admission

10. If the fee is required, you will be redirected to **Manage My Account** in PACER, where you may have to re-enter your password to login.
 - a. Select a payment method and click **Next**. The credit card option can be used to pay by credit or debit card. The ACH option allows you to enter the routing and account numbers for the bank account you wish to debit.
 - b. Enter the required information for your selected payment method and click **Submit**.
 - c. A screen indicating your payment was successful will display briefly before you are redirected back to the court's CM/ECF system where you can print your receipt.
11. If you require further confirmation that your application was received, or wish to check on its status, select **Payment History Report** from the **Reports** menu.
12. Bar applications submitted with an ACH payment will be held for three business days before processing. If the admission fee was waived, or paid with a credit or debit card, the application will typically be processed sooner. However, all applications should be submitted at least seven days before admission is required to allow sufficient time for verification.
13. Once you have been admitted, you will receive an email with your date of admission and bar number, and your case-related filing privileges will be activated. Applicants who paid the admission fee will also receive a certificate of admission in the mail. Applicants who were not required to pay the fee will not receive a certificate unless they choose to order one by selecting **Pay Fees** from the **Utilities** menu.

Notice for Cases of Interest

Users with a CM/ECF account can opt to receive NDAs in cases they are not associated with. They will not have filing privileges and the “one free look” policy does not apply. Standard PACER access fees will be assessed to view the document.

1. Select **Notice for Cases of Interest** from the **Utilities** menu.
2. The **Email for Cases of Interest** drop down menu is editable. You can either select an email from the list or enter a new one. You are limited to one email address and the email you select will only apply to notices in cases of interest.
3. Indicate whether you want to receive an individual email for each docketing transaction or a daily summary. The noticing frequency you select will only apply to notices in cases of interest.
4. Enter a case number in the **Case Number** field and click **Add**. Repeat as necessary to select additional cases.
5. Click **Save**.

Submit New Case

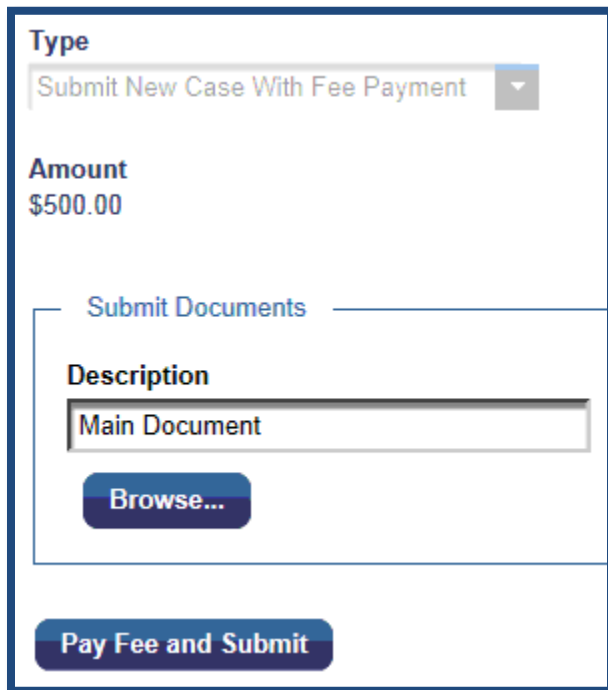

Documents that initiate a case in the court of appeals can be filed electronically or in paper. This includes petitions for review, petitions for permission to appeal, applications to enforce an agency order, petitions for a writ of mandamus or prohibition, and applications for leave to file a second or successive petition for relief pursuant to 28 U.S.C. §2254 or §2255. Please do not use this utility to submit notices of appeal or sealed documents. Notices of appeal must be filed in the district court and sealed documents should only be filed in paper form.

Submit New Case With Fee Payment

This option can be used to file:

- Petitions for Review
- Applications for Enforcement
- Petitions for a Writ of Mandamus or Prohibition
- Documents filed concurrently with your petition or application, such as a motion to stay deportation or notice of appearance.

1. Select **Utilities > Submit New Case > Submit New Case With Fee Payment.**

The screenshot shows a web form for submitting a new case with fee payment. The form is enclosed in a blue border. At the top, there is a 'Type' dropdown menu with 'Submit New Case With Fee Payment' selected. Below this, the 'Amount' is displayed as '\$500.00'.
