ETA Annual Meeting -
Thursday, May 15, 5:30 - 8:30
pm. Old Marsh Country Club,
Wells.

Guest Speaker is Carl Knoch,
Northeast Trail Development
Manager for Rails-to-Trails
Conservancy. All are invited.
Please come to the Annual
Meeting - It is a chance to meet
with like-minded trail users and
trustees, and see where we've
been and what's ahead for the ET.

What's New on the Trail?

Volunteers Sought for Region Bike/Ped Count

The Bicycle Coalition of Maine (BCM) in conjunction with PACTS (Portland Area Comprehensive Transportation System) conducts counts of pedestrian and cycling use at several locations a few times a year and has added two Eastern Trail locations to their study. Volunteers are needed for the count this month, from May 10 - May 17 - [read more here](#).

Spring 2014 ETA Newsletter Mailed

Changes Made in the Maine Lighthouse Ride

The MLR will now register up to 1200 riders. We are taking steps to allow more riders yet still preserve the quality of the ride. Also, there will be no on-site registration the day of the ride - riders must pre-register. Have you registered yet?? [More here](#)

The Eastern Trail - Southern Maine's Multi-Use Greenway

Registration for the September 6, 2014 Maine Lighthouse Ride is over 1/3 full! We have over 500 registered riders as of April 30. Remember, we will close registration at 1,200 riders. So be sure to register early if you - and your family or group - want to be part of the 2014 ride!

The Eastern Trail is a 65 mile section of the East Coast Greenway, a transportation-recreation greenway connecting Kittery, in southernmost Maine to Casco Bay in South Portland!

ET Route Sign

The Eastern Trail is both a trail and a vision. The Eastern Trail has a growing span of off-road sections, as well as a scenic on-road trail that mostly follows quiet country roads. Experienced bike riders and hikers can enjoy a beautiful journey from South Portland's Bug Light Park on Casco Bay (near Portland) to Kittery's Piscataqua River.

"The trail is humming with energy and events on its newly connected sections, but it's not done growing." [Maine Sunday Telegram](#), Dec. 2, 2012

We invite you to become an active part of our effort to build, enjoy, and sustain this wonderful resource. This website will help you connect to current events, development activities, and other means of engaging with this trail and vision.
