## Local Rule 25.0 Electronic Case Filing System and Facsimile

(e) **Service of Documents by Electronic Means.** The Notice of Docket Activity that is generated by the court's electronic filing system constitutes service of the filed document on all ECF Filers.

- (1) **Service on Paper Recipients.** The court's electronic filing system identifies which parties in a particular case are ECF filers. Parties who are not registered as ECF Filers must be served with a copy of any electronically filed document in some other way authorized by Fed. R. App. P. 25(c)(1). Similarly, a document filed in paper form pursuant to 1st Cir. R. 25.0(b)(1) must be served using an alternate method of service prescribed by Fed. R. App. P. 25(c)(1). However, paper copies of briefs filed and served electronically do not need to be served again on the parties to the case when paper copies of the briefs are filed with the court.
- (2) **Certificate of Service.** The Notice of Docket Activity does not replace the certificate of service, if required by Fed. R. App. P. 25(d).

(h) **Sealed Documents.** As required by 1st Cir. R. 25.0(b)(1), sealed documents and motions for permission to file a document under seal should be filed only in paper form. Sealed documents must be filed in compliance with 1st Cir. R. 11.0(c) and 1st Cir. R. 30.0(g). If an entire case is sealed, all documents in the case are considered sealed unless the court orders otherwise or, in the case of a court order, opinion, or judgment, the court releases the order, opinion or judgment for public dissemination.

(j) **Signatures.** The user login and password required to submit documents via the electronic filing system serve as the ECF Filer's signature on all electronic documents filed with the court. They also serve as a signature for purposes of the Federal Rules of Appellate Procedure, the local rules of court, and any other purpose for which a signature is required in connection with proceedings before the court.

- (1) **Submission by Signatory.** No ECF Filer or other person may knowingly permit or cause to permit an ECF Filer's login and password to be used by anyone other than an authorized agent of the ECF Filer. ECF Filers are reminded that pursuant to 1st Cir. R. 25.0(c)(4), a filer must immediately notify the PACER Service Center and the clerk if the filer learns, or has reason to know, that the filer's login or password has been compromised.
- (2) **Multiple Signatures.** The filer of any electronically filed document requiring multiple signatures (for example, stipulations) must list thereon all the names of other signatories by means of signature block

for each. By submitting such a document, the ECF Filer certifies that each of the other signatories has expressly agreed to the form and substance of the document, and that the ECF Filer has the authority to submit the document electronically. If any person objects to the representation of his or her signature on an electronic document as described above, he or she must, within 14 days of the electronic filing, file a notice setting forth the basis of the objection.

#### **Local Rule 46.6. Procedure for Withdrawal in Criminal Cases**

**(a) Trial counsel's duty to continue to represent defendant on appeal until relieved by the court of appeals.**

An attorney who has represented a defendant in a criminal case in the district court will be responsible for representing the defendant on appeal, whether or not the attorney has entered an appearance in the court of appeals, until the attorney is relieved of such duty by the court of appeals. See 1st Cir. R. 12.0(b).

**(d) Service.**

All motions must be accompanied by proof of service on the defendant and, if required by Fed. R. App. P. 25(d), the Government. Motions are customarily determined, without oral argument, by one or more judges.
