¹ Populations are U.S. Census Bureau provisional estimates as of July 1, 2009, and July 1, 2008.

² Limited data for 2008 and 2009 were available for Illinois. See [Data Declaration](#).

³ The data collection methodology for the offense of forcible rape used by the Illinois and the Minnesota state UCR Programs (with the exception of Rockford, IL, and Minneapolis and St. Paul, MN) does not comply with national UCR guidelines. Consequently, their state figures for forcible rape (with the exception of Rockford, IL, and Minneapolis and St. Paul, MN) have been estimated for inclusion in this table.

⁴ Because of changes in the state's reporting practices, figures are not comparable to previous years' data.

⁵ Includes offenses reported by the Zoological Police and the Metro Transit Police.

* Less than one-tenth of 1 percent.

NOTE: Although arson data are included in the trend and clearance tables, sufficient data are not available to estimate totals for this offense. Therefore, no arson data are published in this table.
