Per Curiam. We have carefully read the parties' submissions and have reviewed the district court and administrative records. Based on our review, we find that the decision to grant the defendants' motions for summary judgment was without error. We therefore affirm the judgement of the district court for essentially the reasons stated in its opinion, Ross v. Framingham School Comm., 44 F. Supp. 2d 104 (D. Mass. 1999).

Affirmed. See Local Rule 27(c).
